PRESS RELEASE

KFIL reports fourth quarter FY 24, Standalone Operating Revenue of INR 994 Crore for the quarter and INR 3,767 Crore for the year

Pune, India – May 17, 2024: Kirloskar Ferrous Industries Limited (BSE : 500245), one of the leading castings and pig iron manufacturers in India, announced today its audited financial results for the fourth quarter and financial year ended March 31, 2024.

Commenting on the Q4 and FY 2024 results, Mr. R. V. Gumaste, Managing Director, KFIL, said "This quarter has been challenging for KFIL due to demand-side issues. The subdued demand from the tractor industry impacted casting sales volumes, and pressure on pig iron margins affected the results. However, we are seeing early signs of revival, both in pig iron prices and tractor casting demand. All of our projects are progressing as planned, with many nearing completion. We expect to start seeing returns from these projects soon."
